These negatives were donated to NCHGS by Dave Johnson, who obtained these negatives when he purchased the photography business of Arne Aalgaard.

This Index has been prepared by the Norman County Historical and Genealogy Society for public use. No commercial use of this material is permitted without prior authorization of the Norman County Historical and Genealogy Society.

As with any work, errors may occur. If you identify an error in this document, please notify us and we will correct it as soon as possible.

Negatives are available through 1971. As money and time permits, the rest of the negatives will be scanned and indexed.
